## MS Signs 3-Year Contract with NetApp

Moving Solutions, Inc. is proud to announce their new 3-year contract with NetApp. Moving Solutions has been providing project based services for NetApp over the past year. As a result of our excellent service and sales, we will now be providing all move, installation and onsite warehousing services. Contact Brian for more information.

## MS Wins Topica Project in San Francisco

Moving Solutions was selected for the Topica Relocation Project in San Francisco. The project will involve cube installation, electrical work, data wire/cable removal, office moves, server room disconnect and reconnect, as well as furniture recycling. Contact Mike for more information.

## MS Provides Nationwide Service for Synopsys

Moving Solutions is provided office/suite relocation, computer disconnect & reconnect, as well as server room relocation services for Synopsys. Our current project is in Marlboro, MA. We will be doing another project in Allentown, PA next month and various locations throughout the country this year. Contact Pam for more information.

## Moving Solutions Expands Its Trucking Fleet

Moving Solutions is constantly working to improve our service level to our customers and employees. We strive to provide the best service in the Silicon Valley and nationwide. To that end, we have added two new crew-cab bobtail trucks to our fleet. Two more crew-cab bobtails will be added in April. All 4 trucks will proudly display the MS logo on the door and large side walls.
